

## CROATIA – PEARLS OF SOUTHERN DALMATIA

8-days / 7-nights moderate to challenging cycling from near Split **PREMIUM PLUS**

Explore the unique villages and beautiful islands of Southern Dalmatia – the smallest and most sparsely populated region in Croatia – on an exciting cruising and cycling holiday. Experience the splendid island of Korčula with its picturesque old township and the lavender-covered island of Hvar. Sail and cycle with an experienced tour guide to the charming towns of Trogir, Hvar, Korčula and the artists' colony at Stari Grad.

Our moderate graded cycling tours require a good level of fitness, and regular cycle training beforehand. Elevations range to 200 - 500m above sea level. The daily itineraries of 20 - 50km will take you through hilly, sometimes mountainous terrain without any time-constraints. There may be long and steep climbs but there is plenty of time to take a rest too. Set aside a time each day to swim or relax on board the boat. We cycle mostly on quiet sealed roads and each day you can either decide to bike alone, using the information and maps provided, or join with the multilingual tour guides. E-bikes are an ideal way to neutralise the steeper hills.
