

GERMANY & POLAND – FROM BERLIN TO THE BALTIC SEA

8-days / 7-nights from Berlin to Stralsund, **PREMIUM** Bike and Barge **SELF-GUIDED** cycling cruise

This unique tour cruises on the Oder River, from cosmopolitan Berlin to the majestic Baltic Sea. In Berlin take a stroll on Kurfürstendamm, the Nicolai Quarter on Spree Island, to the Reichstag parliament building or Brandenburg Gate. We cruise out of the city and cycle through Berlin's vast northern forests to Schwedt on the Oder-Havel Canal. Take in Oranienburg and Eberswalde en-route to the Polish city of Szczecin and its magnificent castle. We leave the river here, cruising along the Bodden coast through Usedom to Germany's largest island, Rügen, with its famous chalk cliffs. The varied flora and fauna in this region is exceptional with an abundance of wild flowers and birds (many villages have stork nesting places perched on tall towers). There are lush landscapes and wetlands, quiet villages, baroque castles and many examples of gothic or northern German seaside resort architecture. Our destination is the Hanseatic trading port of Stralsund on the Baltic Sea.

Accommodation is a comfortable river cruiser, with 42 cabins on the main deck and 7 on the upper deck. All cabins have lower beds (no bunks), are outside facing cabins with windows and have private en-suite bathroom facilities. The two separate beds can be turned into a sofa and seating area during the day. The chef prepares national and regional specialties, served up in the restaurant with bar. Comfortable seating is available in the lounge and observation saloon with panoramic windows ideal for sunset and evening cruising. There are also deck areas with chairs on the large sundeck. German is the main language used onboard.

Bike & Barge cruises combine two ways to explore Europe (cycling and river cruising), allowing partners of different abilities and interests to holiday together (trips are interesting for leisure cyclists OR enthusiasts). Unpack once; come 'home' each night to a wonderful meal and a comfortable cabin with your own bathroom.

The self-guided cycling is easy to moderate with daily distances of 15 to 45km mostly on cycle trails, bike lanes, quiet backroads or unpaved trails through forests or fields, with heavier traffic near major centres. The terrain is mostly flat, with some short hills. Non-cycling passengers are welcome but whilst there may be activities planned for the evenings there are no sightseeing provisions for non-cyclists during the day.
