

# BIKE & BARGE HOLIDAYS IN EUROPE

2018

**GERMANY – WESER & ELBE RIVERS** *Limited cabins available - early bookings essential*  
8-day / 7-night Easy to moderate **PREMIUM PLUS** cycling cruises from Bremen to Magdeburg

Germany has so much to offer: history and culture, beer, wine, beautiful countryside, and thriving cosmopolitan cities. Explore northern and eastern Germany on this cruise from the old Hanseatic city of Bremen to Magdeburg in the former East Germany. From Bremen we cruise along the Weser River, which was for centuries a major transport artery in lower Saxony, and the Mittelland (Midland) Canal, which links western and eastern Germany's waterways. We visit the Volkswagen factory and museum, and stop in many of the cities and towns once members of the Hanseatic League of merchant guilds and market towns. Magdeburg, on the mighty Elbe River, has been sacked and destroyed twice (during the Thirty Years' War and World War II) and has risen from the ashes to become a green and modern city.

Bike and Barge cruises combine two popular ways of exploring Europe: easy to moderate cycling with river or canal cruising. They allow partners of different abilities and interests to holiday together (trips are just as interesting for leisure cyclists OR enthusiasts), you unpack once and come 'home' each night to a wonderful meal and a comfortable cabin with your own bathroom. The cycling is fascinating and varied, with free time to explore each destination. Multi-gear hybrid bikes are provided (or you can bring your own if you prefer), and a limited number of E-Bikes are available at extra cost, please ask when booking.
