

## AUSTRIA SLOVAKIA & HUNGARY – MORE OF THE RIVER DANUBE

8-days / 7-nights **SELF-GUIDED** inn-to-inn cycling from Vienna to Budapest in Hungary

**VALUE**

A continuation of the very popular Danube Cycle Path from our Passau to Vienna tour - one of the most popular cycling routes in Europe - this easy to moderate cycle tour along the River Danube is guaranteed to be a memorable active holiday experience. This mighty river still plays a vital role in travel, transport and tourism in this part of central Europe. The route along well-maintained cycle paths has become a must-do cycling holiday for all ages. Being self-guided gives you flexibility to travel at your own pace, to stop and relax or explore secure in the knowledge that your room is waiting for you, your bags have gone ahead and the river is your guide.

The bike trail passes through towns and villages along a flat to slightly undulating route. It offers easy and interesting cycling beside woods and forest often framed by mountains. There are side trails into those mountains giving a challenging ride for those looking to do longer or hill riding to see some of the higher vistas.

The route follows the river from Austria through Bratislava in Slovakia to Hungary, through traditional villages, past ancient monasteries with some spectacular examples of the Baroque style of architecture, romantic and historic castles, typical villages and old market towns.
