

ENGLAND – DERWENTWATER & THE LAKE DISTRICT **GREAT VALUE**

8-day / 7-night one-hotel guided walking tour based in one of England's most beautiful National Parks

We are confident you will enjoy the Lake District National Park. From the shores of Derwentwater generations have been attracted to the outstanding scenery. Walkers of all abilities come to stand and look or to discover this magical landscape of rare natural beauty. Explore stunning lakeside paths, climb famous hills and fells, unwind in the tranquil wooded valleys, see high waterfalls and open moorlands. Visit Wainwright's mountain tarns and the lakes that inspired poets and artists alike. Speckled with tiny islands and surrounded by majestic fells, Derwentwater is a superb location from which to enjoy everything that Lakeland has to offer.

This area offers something for everyone; from walks through the charming wooded valley of Borrowdale and tranquil lakeside paths to classic ascents of summits such as Helvellyn, Great Gable and England's highest peak Scafell Pike. Here, in the dramatic landscape there is no such thing as bad weather, just bad clothing!

A typical walking day offers a choice of three guided walks of varying length and ascent. If you are new to walking then start at the easier level, where the pace is relaxed with plenty of stops to enjoy the views and to rest along the way. As your holiday progresses you may feel confident to try a more challenging level, or stick to the same level – it's entirely your choice. Walks range from woodland, moorland, through valleys and beside lakes and rivers. Walks leaders make the final decision on which routes are offered each day. Consider linking a week here with another week at nearby Conistow Water or Sedbergh on the Yorkshire Dales.
