

ITALY - PIEDMONT & THE GOURMET HILLS OF RURAL ITALY

8-days / 7-nights centre-based at Montelupo a one-hotel GUIDED walking tour

Highlights include evening wine-tasting, a superb 4-star hotel with an excellent restaurant, and friendly and welcoming walk leaders who will make your holiday fun and sociable.

Walks in the Piedmont pass attractive countryside visiting attractive hill-top villages, strolling through ancient vineyards or hazelnut groves to visit isolated churches. Other walks include part of the 'Strada Romantica', an ancient trail that links Bossolasco (the village of Roses) with Serravalle delle Langhe, and a route in the Tanaro Valley to the village of Neive. We wander to the famous Barolo vineyards and the hill-top villages of La Morre, Barolo, Monforte d'Alba, Castiglione Falletto and Serralunga d'Alba; a day of stunning views and fantastic wines.

Suggested itinerary: This itinerary outlined below may be subject to change at the walking guide's discretion. A finalised itinerary will be available at the resort and your leader will brief you every night about next day's walks.

Day 1: Arrival day. Arrive Montelupo mid-afternoon (ask about airport transfer from Turin at extra cost). This evening meet your leaders for a briefing and get to know your fellow guests over dinner.

Day 2: Montelupo's Wolf's Trail

These introductory walks will explore the area close to the hotel and include a visit to Montelupo village. The walks then follow the '*Wolf's Trail*' a circular path, waymarked with an outline of a wolf's head.

Day 3: Along the Tanaro River

The day starts at the attractive medieval town of Alba. This is the largest town in the region and now has a strong reputation as a gastronomic centre and is famous for its wines and chocolate. From Barbaresco, a major wine-producing centre, our walks follow the Tanaro River, which at 276km long is one of the main tributaries of the River Po. We finish in the small hamlet of Tre Stelle where we can have refreshments at a café.

Day 4: Free day

Each week there is a free day where no guided walks are offered. This is an ideal opportunity to relax around the hotel, walk independently, or visit local places of interest. If there is sufficient interest your leaders may arrange an excursion to the Winter Olympic city of Turin (at additional cost).

Day 5: Bormida Valley

The Bormida River flows through the heart of the Langhe Hills and our walks follow the wooded ridge that separates the main valley from that of the River Uzzone. We finish in the small town of Cortemilia, one of the most attractive in the area. The river divides the town into two villages: San Michele on the west bank and San Pantaleo on the east. The 12th Century church is one of the most interesting examples in the Langhe.

Day 6: The Barolo vineyards and villages

We head west of Montelupo to walk in the famous Barolo vineyards. Barolo wine is very well regarded, renowned for its rich flavour and aroma. It is produced in the Langhe Hills, around the large village of Barolo, usually from the Nebbiolo grape. This ripens quite late, towards the end of October, with bunches that have an intense blue colour. These walks offer opportunities to sample and buy the local produce.

Day 7: Above the Tanaro Valley

We start with a journey south to Bossolasco, the '*Village of the Roses*', then take the coach or walk to Serravalle dell Langhe. We follow the ridge of hills above the Tanaro Valley to Tre Cunei, where we can have a celebratory drink before returning by coach to the hotel in Montelupo.

Day 8: Departure day. Tour ends after breakfast.
