

## GERMANY & AUSTRIA – ALONG THE RIVER DANUBE

8-days / 7-nights **SELF-GUIDED** inn-to-inn walking from Passau in Germany to Linz in Austria

**VALUE**

One of Europe's most popular cycling / cruising routes in Europe is now a 'must-do' walk. The '*Donausteig*' offers an easy to moderate walking tour along the hills and through the villages that surround the River Danube, enjoying stunning views and amazing landscapes. Travel at your own pace, to stop and relax or explore secure in the knowledge that your room is waiting for you, your bags have gone ahead and the river is your guide

The trail passes through towns and villages along an undulating route, crisscrossing the River Danube as you go. There is a well-graded and signposted path along the hillsides, through woods and forest often framed by mountains, with ascents well-rewarded by picturesque lookouts with spectacular views. The route follows the river from Germany into Austria through many traditional villages. Pass ancient monasteries with spectacular examples of the Baroque style of architecture, romantic and historic castles and ancient market towns.

The tour ends in the fascinating and progressive city of Linz, a market town which juxtaposes beautiful historic buildings with modern design and cutting edge architecture. Linz today is a centre of learning and culture and it is well worth spending an extra night there to explore all it has to offer. Enjoy the Opera house (Musiktheatre Linz) home to the Bruckner orchestra, sample the famous Linzer Torte or just relax in a café or in the market square.

## **Suggested itinerary:**

### **Day 1: Arrive in Passau (Germany)**

Take the train from Vienna or most mainline German / Austrian stations to Passau. Plan to arrive at your hotel mid-afternoon to collect your trip documents, maps and vouchers with time to explore Passau before dinner.

### **Day 2: Passau - Engelhartszell**

**walking @ 15km, 5-6 hours**

Depart Passau by boat to Kasten/Vichtenstein, where you begin the walk along the southern bank to Engelhartszell with the option of climbing the Haugstein, to visit Austria's only Trappist monastery Engelszell, where the monks produce beer, liqueurs and cheese. The 18<sup>th</sup> Century Rococo-style abbey church is open daily to all visitors.

### **Day 3: Engelhartszell - Obermuehl**

**walking @ 10km + 11km, 6-7 hours**

Take a taxi transfer from Engelhartszell to Schlögen/Haibach. Before starting the walk to Obermuehl along the northern bank, we recommend taking time to explore the Ciconia trail (11km), which has a number of information stations and sculptures that describe the local area. Complete the loop trail back to Schlögen and take the ferry boat from Schlögen to Au before following the nature trail to Obermuehl.

### **Day 4: Obermuehl - Untermühl**

**walking @ 10km, 3-4 hours**

In the morning, walk up to the "Burgstallblick" vantage point for spectacular views over the famous Danube Loop, a natural wonder known as the "Schlögenger Schlinge". Walk towards Kirchberg passing through fields and meadows until you reach Untermühl, where you meet the Danube again.

### **Day 5: Untermühl - Aschach**

**walking @ 18km, 6 - 7 hours**

Today's walk leads you from Untermühl via Schloss Neuhaus and then via St. Martin im Innkreis and through the Pesenbach nature reserve to the picturesque town of Aschach. We recommend taking some time to explore Aschach, a town from the Middle Ages with houses featuring facades and courtyards from the Gothic, Baroque and Renaissance eras.

### **Day 6: Aschach - Linz**

**walking @ 16km, 6 hours**

After breakfast take a short bus trip (13km) to Ottensheim. From Ottensheim walk along the northern bank up the Pöstlingberg hill with its Baroque basilica. Take a scenic ride downhill on one of the steepest trams in Europe (paid locally) to Linz where you stay for 2 nights.

### **Day 7: Free day Linz**

**optional walking @ 12km, 1.5 - 2 hours**

No walks are organised today, leaving you free to relax at the hotel or explore the fascinating and progressive city of Linz.

You may wish to do another local walk like the St Florian circuit by taking the tram to Ebelsberg Castle, then walk to the small town of St Florian, to visit the Baroque-era monastery. There has been an Augustinian abbey on this site since the 11<sup>th</sup> Century. Austrian composer Anton Bruckner was a choirboy and organist here in the 1850s, and is buried in the crypt beneath his beloved organ, now called the Bruckner organ. The monastery library is astounding – its collection includes over 150,000 manuscripts, incunabula, maps and modern printed books. Depending on what day you are at the abbey, you will either have a guided tour or an organ recital. Later in the day, take the bus back to Linz. Transport cost for this walk is not included in tour price.

### **Day 8: Departure day**

Tour ends after breakfast in Linz. Extra nights in Linz are recommended (at additional cost) as there is much to see and do. If you plan to return to Passau, there are several daily direct trains from Linz to Passau, journey time @ 1½ hours or a ferry daily except Monday & Friday. Should you need it, a courtesy train ticket back to Passau is included in your tour cost.
