

## GERMANY & AUSTRIA – ALONG THE RIVER DANUBE

8-days / 7-nights **SELF-GUIDED** inn-to-inn cycling from Passau in Germany to Vienna

**GREAT VALUE**

One of the most popular cycling routes in Europe, this easy to moderate cycle tour along the River Danube is guaranteed to be a memorable active holiday experience. This mighty river still plays a vital role in both tourism and travel in this part of Europe and cycling along the well-maintained cycle paths has become a must-do cycling holiday for all ages. Being self-guided gives you flexibility to travel at your own pace, to stop and explore, secure in the knowledge that your room is waiting for you, your bags have gone ahead, and the river is your guide.

The bike trail passes through towns and villages along a flat to slightly undulating route. It is well used and allows beautiful cycling, often flanked by woods and forest often framed by mountains (giving a more challenging ride for those looking to do longer or hill riding if they prefer). The route follows the river from Germany into Austria through traditional villages, past ancient monasteries with some spectacular examples of the Baroque style of architecture, romantic and historic castles, old market towns and world-renowned vineyards.

We offer you the choice of two versions of this tour, with slightly different cycling distances and ways to end the ride. You can avoid the traffic and suburbs as you enter Vienna by dropping off your bike on the outskirts and taking a train on the last day (only possible with normal bike hire, not e-bikes). Or you can follow the trail and city roads all the way to your hotel in Vienna. You can also choose to add Half Board at extra cost. This adds four 3-course dinners - usually based on traditional local cuisine.

## Suggested itinerary:

### Day 1 Arrive in Passau (Germany)

We suggest you arrive mid-afternoon at your pre-booked hotel in Passau, to collect your detailed trip documentation, maps and travel vouchers. Collect and adjust your rental bike with time to explore the town.

### Day 2 Schlögen / Wesenufer

**cycling @ 40km**

After breakfast begin cycling along the Danube passing Obernzell with its gloriously colourful market square to Engelhartszell – perhaps stopping to visit the spectacular monastery. Continue to Au and take the ferry (fare paid locally) to Schlögen, located on the Danube bends known as the famous “Schlögener Schlinge”.

### Day 3 Linz

**cycling @ 56km**

Today is the “King’s Stage” as you cycle through the quiet and sparsely populated Engtal valley towards Kaiserau, Aschach and Eferding. There is plenty of time for a coffee break or lunch and sightseeing here before continuing through Ottensheim to reach Linz, an interesting and vibrant city which mixes the old with the new.

### Day 4 Wallersee / Au / Perg

**cycling @ 45km**

Ride along the track on the left bank of the Danube through the Machland region past Abwinden, Mauthausen and Wallsee Castle. Continue then on to your overnight stay in Wallsee or Au/Perg.

### Day 5 Pöchlarn / Maria Taferl

**cycling @ 56km**

Head past Ardagger, Grein and Bad Kruezen at the entrance to the narrow Strudengau. Passing Wörth island you reach the Nibelungengaulf region. If time permits you may wish to visit Grein Castle this morning before crossing the Danube to cycle the right bank past the Habsburg-era Schloss Persenberg and on to the famous place of pilgrimage, Maria Taferl, or Pöchlarn.

### Day 6 Krems / Traismauer

**cycling @ 51 or 66km**

Today you cycle through the famous UNESCO World Heritage listed wine-growing area of the Wachau past Melk with its famous abbey and Spitz, crossing onto the left hand side of the Danube to reach Dürnstein. The route continues to Krems (4-star) or to Traismauer (3-star). If you wish to take a shortcut then take a boat/ferry ride through the Wachau from Spitz or Dürnstein to Krems (optional, booked and paid locally).

### Day 7 Tulln / Vienna

**cycling @ 63km + train or 78km**

Cycling through typical rural scenes near the Roman town of Tulln, on the outskirts of Vienna. Then either return your bikes (tour bikes only, not e-bikes) and continue by suburban railway to Vienna (cost @ €11 paid locally) or cycle via the Klosterneuburg Abbey to the hotel in Vienna and leave your bike there.

### Day 8 Vienna (Austria)

The tour ends after breakfast. Ask about additional nights in Vienna, at extra cost.
