

## SWITZERLAND – BERNESE OBERLAND

8-day / 7-nights - centre-based guided walking based at Adelboden – a choice of graded walks each day

The picture-perfect Swiss village of Adelboden offers stunning views down the Engstligen Valley and is surrounded by impressive waterfalls and imposing peaks. Adelboden offers outstanding walking at all levels.

On this holiday, explore high alpine meadows, tranquil valleys, and mountain lakes. There are a variety of magnificent mountain walks, using gondolas, cable cars and chairlifts where necessary to access higher terrain. We have the opportunity to cross the Hostalde suspension bridge, one of the longest in Europe at 153 metres, and to have a go at playing the Alpine horn at our hotel.

Our centre-based or one-hotel walking holidays offer a choice of two guided walks each day – usually an easier walk or a more challenging option. There is usually a free day midweek to relax or explore the area.
