The **River Danube** is a highlight of any tour to Europe and this is a self-guided cycling and cruising program for those who want to be more active while exploring this mighty river. We offer cabins on a floating hotel on a route that visits six countries and four capital cities. Beginning in Germany at Passau, the 'city of three rivers' where the Inn and Ilz Rivers flow into the Danube, cruise and cycle your way to **Bratislava**, the former city of Hungarian kings, **Budapest**, the 'Paris of the East', the bustling capital of Serbia, **Belgrade**, and **Vienna** with its Cathedral, beautiful town hall and Riesenrad (ferris wheel). Cycle through the rural landscapes of Croatia and Serbia, through idyllic wine regions and past commanding fortresses perched high above the river. Cruise all the way to the Iron Gates, where Serbia meets Romania and the Danube cuts dramatically through the foothills of the Balkans and the Romanian Carpathian Mountains. The cycling is generally flat and easy, along well-marked cycle paths and quiet country roads, with one day of more challenging riding over undulating terrain.

On the majestic River Danube, spacious, traditionally built cruise ships carry up to 152 passengers, with an attentive crew and a relaxed atmosphere. Regional cuisine is served to reflect the countries visited. Onboard there is a restaurant and bar and a sun deck with comfortable deck chairs. There are 76 comfortably furnished, outward facing cabins on three decks: main, middle and upper. Middle-deck cabins have panoramic windows (not openable).
